

ALDEN of Waterford

December 12, 2012

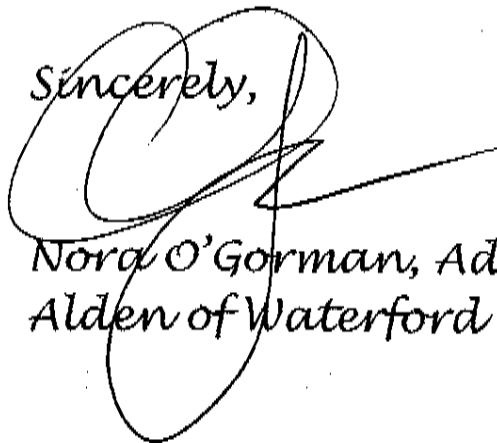

Dear Patel Family

On behalf of all of us at Alden of Waterford, I would like to personally express our thanks and gratitude for your generous time and support during our Character Themed Breakfast on December 8th. Our event was a wonderful success because of YOU!

We raised over \$3,000.00 dollars to help with research and funding toward finding a cure for Leukemia!! Your efforts contributed to a magical and memorable morning for all.

Thank you again and Happy Holidays!

Sincerely,

Nora O'Gorman, Administrator
